CareER RunnERthon Online 2025

— Message from Co-Founder & CEO, Walter Tsui

CareER於2014年成立並註冊成為慈善機構，是香港首個為大專或以上學歷殘疾人士和共融僱主提供工作配對的慈善平台及高學歷殘疾學生及校友會組織，致力推動殘疾人士發展事業。

「CareER潛能無限線上慈善跑 2025」是CareER第十屆大型慈善籌款活動。今年的線上慈善跑將於**2025年12月6日至20日**舉行，為期15日。為**慶祝CareER成立十週年**及響應一年一度之「**國際殘疾人日**」，今年的線上慈善跑開幕典禮和**共融運動體驗**將於**12月6日**舉行。

我們希望透過是次籌款活動繼續提升大眾對大專或以上學歷殘疾人士需要的認知、支援CareER的工作。

今年的籌款活動將以「**十載引領，齊步共融！**」為主題，我們鼓勵公眾和企業/團體跑手以行動支持傷健共融，跨越國家及地域邊界，共同努力支持CareER的使命，協助更多大專學歷殘疾人士向職場邁步！

CareER is the first joint community in Hong Kong for students and graduates of all higher education institutions with disabilities and special education needs (SEN). It was established and registered as a charity in 2014, aiming to promote disability inclusion in Hong Kong, while encouraging talents with disability/SEN to develop their careers.

This year, we will hold our 10th Anniversary annual fundraising event, “**CareER RunnERthon Online 2025**” from **6th to 20th December 2025**, with the theme of “**A Decade of Advancing Hong Kong Towards an Inclusive Society**” to raise funds for CareER’s daily operations, as well as hosting the kick-off ceremony and **Inclusive Sports Challenge** on **6th December** to celebrate the **CareER 10th Anniversary** and annual **International Day of Persons with Disabilities**.

Disability inclusion is not an easy feat without the support from employers, educational institutions, the public and our members. We hope to get people from various backgrounds together and encourage everyone to move one step closer towards disability inclusion.

Event Goals

Fundraise for CareER in order to provide FREE services and employment support for students & graduates with disabilities & SEN

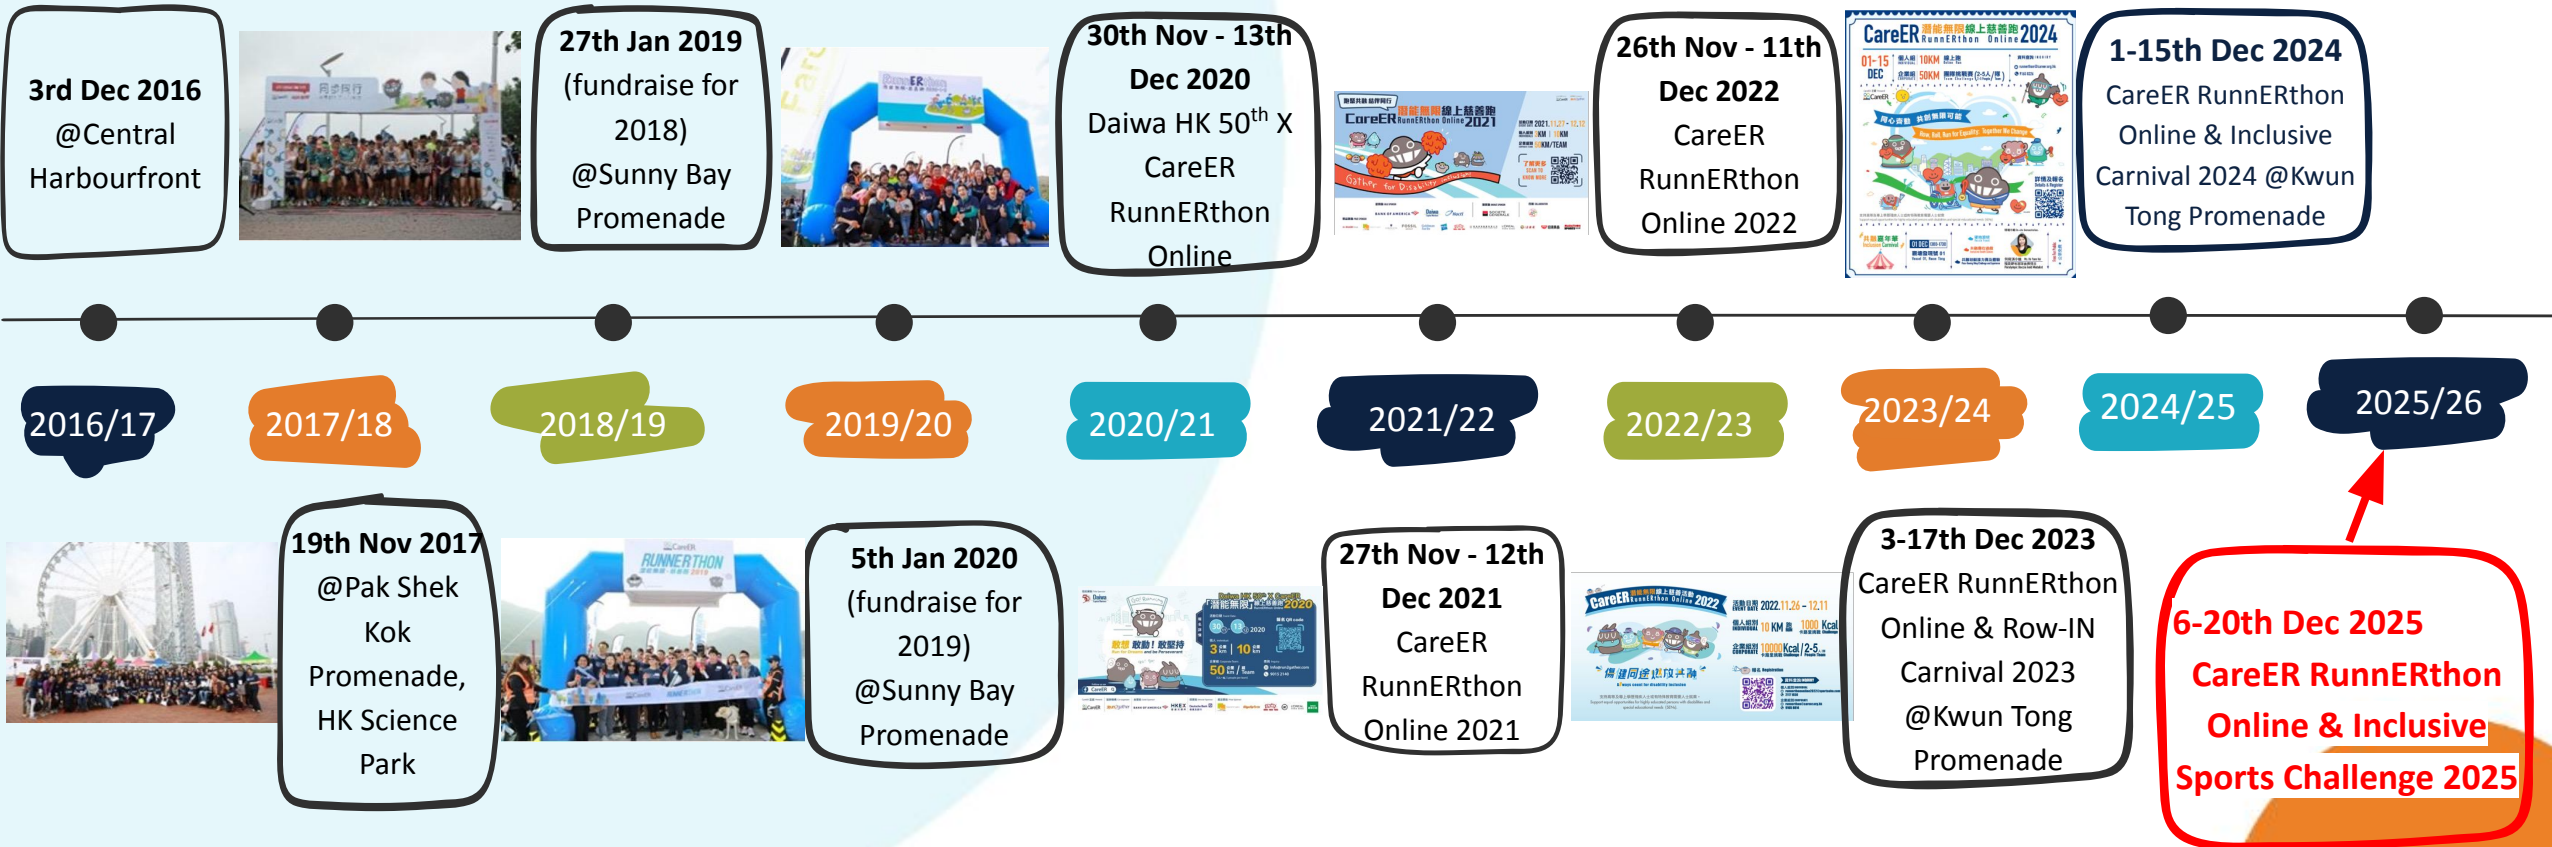

Raise **public awareness** on the needs of higher-educated students and graduates with disabilities and SEN

Celebrate the **CareER 10th Anniversary** and annual **International Day of Persons with Disabilities**

Online Run - Corporate Team Briefing

企業組 50公里挑戰賽

Corporate Team 50km Challenge

今次線上慈善跑的形式非常靈活，**跑步地點、跑步速度和次數不限**，即**跑步或步行亦可參與**，成員也可**分多次進行跑步或步行**。

為方便系統核實紀錄，**每次上載的距離必須最少 1公里**，並且建議每位成員進行跑步或步行後立即各自上載。

未能完成50公里之隊伍，**所有成員**均不能獲得跑手包、完成獎牌和證書，因此我們建議各隊長預先按成員能力進行分工，**盡早開始**，合力完成最少50公里之賽程。

分工例子:

成員 A 跑25km,

成員 B 跑15km,

成員 C 跑5km,

成員 D 和 E 各步行2.5km

This year, we are keeping RunnERthon Online flexible so there is **no limit to your running location, speed and frequency** i.e. **running or walking are allowed**, and members **may join multiple times** (yay!).

However, **each uploaded record must be at least 1km** and is recommended to be uploaded immediately after every run.

For teams that failed to meet our minimum 50km requirement, **all members** will not be able to receive our finisher medals, souvenir packs and E-certificates. Therefore, we recommend each team to **start early**, and divide the running distance in advance according to your member's ability, for example:

Member A runs 25km,

Member B runs 15km,

Member C runs 5km,

Members D+E each walks 2.5km.

常見問題 Frequently Asked Questions

可以在健身室 或室內進行是次活動 嗎?

可以。出於安全考慮，我們建議所有參加者僅在安全和合適的室內或室外場地進行是次活動。參加者應自行留意當地的天氣情況和社交距離限制，並避免在雨天及惡劣天氣下進行活動。

可以分多次跑步嗎？還是要一次過完成賽程？

今次線上跑的形式非常靈活，**跑步次數不限**，即隊員可**分多次進行跑步或步行**。為方便系統核實紀錄，**每次上載的距離必須最少一公里**。如果發現重複上載，可刪除跑步記錄。

Is it okay to run at a gym or indoors?

Yes. For safety reasons, we recommend all participants to conduct the activity in safe and suitable indoor or outdoor venues only. Also, participants should check the weather before participating in the activity, and avoid running/walking under the rain and/or bad weather conditions.

Can I join the run multiple times instead of in one-go?

This year, we are keeping RunnERthon Online flexible so **you can run/walk multiple times** (yay!). However, **each uploaded running log must be at least 1km**. If your uploaded logs have been duplicated, you can delete it accordingly.

常見問題 Frequently Asked Questions

我的跑步時間或跑速會影響賽果嗎？

簡單而言，不會。今年，我們希望透過我們的故事來鼓勵大家要堅持不懈，一起衝破地域界限，與高學歷殘疾人士同行。今年的線上跑不設最低跑步時間或跑速，希望各位能與隊員合力完成最少50公里之賽程。

隊長是否需要為隊員 上載跑步記錄？

不一定。為免造成混亂，我們建議每位隊員在每次跑步或步行後各自上載跑步紀錄。各隊隊員請緊記查閱電郵及網站登錄密碼，並提前下載並試用記錄應用程式及設備，以便及時上載。

Does my time or running speed matter?

In short, no. We hope to inspire and encourage everyone to be perseverant and overcome any difficulties together across districts/country borders. There will be no minimum running speed requirement, and working together with your teammates to complete the required 50km distance is more important.

Is the team leader required to upload all running logs for the team?

Not necessarily. We recommend each team member to upload his/her own running logs after each run/walk. Each team members do remember to check your email and your website logins, and download and try out the tracking apps/devices in advance.
